Hi Stephanie,

Did you receive this already? Sorry for the delay, I was on leave that week and I forgot about it last week.

Best,

Subject: Completeness Determination for Western Nevada 2008 Ozone Attainment Plan

Sam and Earl,

Today our acting division director signed a letter making an affirmative completeness finding for the Western Nevada 2008 Ozone Attainment Plan. This finding turns off sanctions clocks that were active following a December 2017 finding of failure to submit. See the attached letter for further details, and please let me know if you have any questions.

Thanks,
Laura
